

**10A NCAC 14C .4006 FACILITY**

An applicant proposing to develop new hospice inpatient facility beds or new hospice residential care facility beds shall document:

- (1) that a home-like setting shall be provided in the facility;
- (2) that the services will be provided in conformity with applicable state and local laws and regulations pertaining to zoning, physical environment, water supply, waste disposal and other relevant health and safety requirements; and
- (3) for new facilities, the location of the site on which the services are to be operated. If the site is neither owned by nor under option to the applicant, the applicant must provide a written commitment to pursue acquiring the site if and when the approval is granted, must specify a secondary site on which the services could be operated if acquisition efforts relative to the primary site ultimately fail, and must demonstrate that the primary and secondary sites are available for acquisition.
